DECISION

The Energy Regulatory Authority, as competent administrative body, in the meaning of article 17 para. 6 letter h) of Law no. 458/2000 Official Gazette, regarding the business conditions and performance of state administration in energy and for amending certain laws (Energy Law), as further amended, in the procedures regarding the recognition of business licences for trade of gas granted by the National Energy Regulatory Authority in Romania, a member state of European Union, on 20 December 2019, licence no. 2310, based on a request of AIK Energy Austria GmbH, with registered office in Annagasse 8/12, 1010 Vienna, Republic of Austria, received by the Energy Regulatory Authority on 4th March 2020, decided according to § 7a (2) of Law no. 458/2000 Official Gazette, regarding the business conditions and performance of state administration in energy sectors and the amendment of certain laws (Energy Law), as further amended, as follows:

- I. The operating licence for the trade of gas in the Czech Republic granted to a foreign person AIK Energy Austria GmbH, with registered office in Annagasse 8/12, 1010 Vienna, Republic of Austria, National Regulatory Authority in Romania, a member state of European Union, on 20 December 2019, licence no. 2310 is recognized.**

- II. The authorisation is recognized until 31.12.2024.**

Instructions:

Against this decision you can submit a complaint within 15 days from its delivery date, according to art. 81 of Law no. 5 of the Administrative Procedural Code to the Energy Regulatory Authority. The Council of Energy Regulatory Authority will decide on the complaint submitted.

According to article 152 (5) of Administrative Procedural Code corroborated with art. 85 (1) of Administrative Procedural Code, a complaint against this decision has a suspensive effect. The deadline for submission of a complaint is calculated since the day that follows the date of this decision, but the latest the tenth day after the day when it was not delivered and the decision was kept for collection.
